# REEMAIN Webinar

## “Technology Roadmap for RES, Storage and Waste Recovery for Efficient Manufacturing”

3<sup>rd</sup> December 2014

Dr. Uli Jakob  
JER

# Webinar – Technology Roadmap

## Technology Roadmap for RES, Storage and Waste Recovery for Efficient Manufacturing

- Pushing innovation through technology roadmap
- Ranking methodology based on MCDA (Multi Criteria Decision Analysis) taking into account technical, economic, marketing and environmental aspects
- Finally building block for the REEMAIN tool

### Dissemination and Exploitation activities related to Technology Roadmap:

- **Webinar** to present the key findings of the Technology Roadmap and the ranking methodology as well as one case study (textile industry)
- **1-2 workshops** (at EURAC and Solera) to discuss and review the results, especially the ranking methodology

# Webinar – Agenda

## REEMAIN Webinar

“Technology Roadmap for RES, Storage and Waste Recovery for Efficient Manufacturing”

**WHEN:** 3<sup>rd</sup> DECEMBER 2014, at 14.30 CET

**WHERE:** On the internet

### AGENDA

- |  |                                 |
|--|---------------------------------|
| 14.30 Welcome and introduction,                            | <i>Dr. Uli Jakob, JER</i>       |
| 14.35 The REEMAIN project – an overview,                   | <i>Anibal Reñones, CARTIF</i>   |
| 14.45 Innovative technologies for efficient manufacturing, | <i>Dr. Uli Jakob, JER</i>       |
| 15.05 REEMAIN ranking methodology,                         | <i>Dr. Marco Cozzini, EURAC</i> |
| 15.25 Results of technology ranking,                       | <i>Dr. Uli Jakob, JER</i>       |
| 15.45 Solar Concentrators in the textile industry,         | <i>Samuel Baumeister, JER</i>   |
| 16.15 Answers to questions from audience,                  | <i>All</i>                      |
| 16.30 Wrap up,   | <i>Dr. Uli Jakob, JER</i>       |

# Webinar – Records / Download

**The webinar will be recorded.**

**The webinar presentations will be available on the REEMAIN website for those participants which have registered:**
